TELEGRAPHIC BREVITIES.

A telegram from Hope, Arkansas, announces that the negro murderer of little Myrtle Vance has confessed his guilt.

A horrible story is reported from Hamburg of three shipwrecked sailors, driven insane by hunger, killed a companion and devoured him.

Emmet Thompson, an eight-year-old boy, while riding on a load of lumber near Bonham, fell to the ground, breaking his leg in two places.

Two masked men entered the railway station at Boonville, Mo. and forced the night operator to hand over everything valuable. They secured 50.

It is reported that Thos. C. Platt will be retired as president of the Tennessee Coal and Iron company at the meeting of the directors in April. His successor will probably be H. F. DeBardelaben or Nathaniel Baxter.

It is positively without a peer. Mr. Walter Brewer, Vinton, Iowa, says: "I had a very bad cough and a few doses of Dr. Bull's Cough Syrup, gave relief and effected a cure. I would not be without it in my family."

Wanted.

I want to buy a good pair of carriage horses, and a good cow and calf. And at the same time I want to sell some choice vacant lots and also some improved places; the terms can be made satisfactory and good horses, mules or stock cattle will be taken in exchange, at the full market price.
